CENTRE FOR ADVANCED TRAINING IN TAXATION LAWS

About Our University

MNLU Mumbai stands as a dynamic institution, actively engaging with the intricate legal dimensions of public policy, ethics, business, and an array of contemporary issues. Its commitment lies in producing high-caliber legal scholarship, equipping students to confront the challenges of the real world. Since its inception, MNLU Mumbai has been steadfast in its pursuit of excellence across all facets of legal training and education. The primary objective of the University is to promote and disseminate learning, fostering a profound understanding of law and legal processes. A central aim is to instill in students a profound sense of responsibility towards serving society, along with the impartation of skills pertinent to advocacy, justice, legal services, legislation, and law reforms. The overarching goal is to position law and legal processes as effective instruments for social development. Through this commitment, the university endeavors to contribute significantly to the advancement of legal knowledge and the development of individuals capable of addressing the evolving demands of the legal landscape.

CENTRE FOR ADVANCED TRAINING IN TAXATION LAWS

About the Conference

The Centre for Advanced Training in Taxation Laws is delighted to announce its forthcoming Virtual Tax Law Conference scheduled for the 8th June 2024. This conference serves as a pivotal platform for the convergence of tax professionals, students, and enthusiasts, fostering insightful discussions on the latest developments and trends within the domain of taxation. Distinguished tax experts will deliver keynote speeches, and research scholars, as well as students, will present their findings. The comprehensive agenda encompasses diverse subjects, including tax policy, planning, compliance, administration, and international taxation.

The conference unfolds in two distinct phases. The inaugural phase commences with keynote addresses from renowned tax experts, setting a comprehensive tone for subsequent proceedings. The ensuing phase focuses on research paper presentations, affording an invaluable opportunity for emerging scholars to showcase their work and engage in constructive discourse with peers and seasoned researchers. This conference promises to be an enriching experience, contributing to the collective knowledge and advancement of the taxation field.
