Message by Hon'ble Vice-Chancellor, MNLU Mumbai

Dear Esteemed Students and Parents,

Welcome to MNLU, Mumbai, in the vicinity of Knowledge Park Hiranandani Garden, here at center of a beautiful city where businessmen, scholars and students come together to innovate and learn. MNLU is the land of academic excellence, justice and research in the fields of business, law and technology. We seek to blend the expertise of industry experts with the enthusiasm of the bright students to contribute to the societal progress. Our goal is to develop open minded and critical-thinking leaders, who can adapt to the advanced and dynamic business environment. We take immense pride in nurturing talent that aligns with the evolving demands of the corporate world.

We believe that industry-academia collaboration is the cornerstone of professional growth, and this partnership will provide mutual benefits, empowering students with practical insights while offering the organizations fresh minds, new perspective and spirited youngsters. I encourage you to engage with our students, mentor future leaders, and strengthen the industry's talent pipeline. We look forward to fostering long-term associations that contribute to both professional and academic advancements.

Since its inception, the University has made serious and sincere efforts to excel in the field of legal research and education. Within the span of ten years, the University has been able to traverse an arduous yet, promising

path filled with lots of possibilities for the future. The course structures of the University are framed in accordance with the norms of the BCI and UGC with a team of dedicated and committed faculty members.

Hon'ble Shri. Justice Bhushan Ramkrishna Gavai, Chief Justice of India is the Chancellor of the University who not only guides but also inspires the institution with his novel ideas and rich experience in law field.

An institution for higher learning must promote scholarship that engages with practical questions as well as the moral and philosophical dilemmas that arise in contemporary life. Research in law addresses these problems of society in this dynamic sense. In recent years the University has taken long strides in areas of research and has established Research Centres in the areas of Clinical Legal Education, Criminal Justice, Maritime Law & Research, Intellectual Property, Taxation Law, Arbitration, Mediation and Information Technology. MNLU Mumbai has also been granted Department for Promotion of Industries and Internal Trade (DPIIT), Ministry of Commerce and Industry, Government of India's IPR Chair. MNLU Mumbai also established the Centre for Maritime Law and Research with the support of the Directorate General of Shipping, Government of India.

Recently, the University also established Justice M. L. Pendse Chair in Environmental Law. The University has also undertaken several research projects.

The University offers BA. LL.B.(Hons.) five years integrated program, one year LL.M. program in Corporate and Commercial Laws, Maritime Law and Constitutional Law, LL.M. (Professional), LL.M. (Investment & Securities Laws) in association with National Institute of Securities Markets, SEBI, M.A. (Mediation and Conflict Resolution), Post Graduate Diploma Programmes, among others. University is also planning to add more specializations from new academic year. The University also hosts several research programmed in association with foreign universities. In addition to this through specially designed programmes such as of Master of Business Administration in Corporate Finance, Banking, and Law. We foster a learning environment enriched by distinguished faculty, industry collaborations, and real-world insights, ensuring that students gain not just theoretical knowledge but also practical skills relevant to today's corporate landscape.

The University is steered by distinguished judges, senior advocates, eminent academicians, seasoned and senior bureaucrats as members of governing bodies and they guide our students with their rich and valuable experience. Our students participate in various reputed competitions both in India and abroad. Through engaged research the University strives to address issues that surround contemporary life in India. The advent of globalization and global connectivity is redefining the frontiers of education. Cognizant of this changing paradigm of learning MNLU Mumbai has signed MoUs with some leading Universities of Europe for a more sustained and engaged exchanges of ideas related to law and society in modern time.

MNLU Mumbai believes in the values enshrined in the Indian Constitution viz. Justice, Liberty, Equality, Fraternity, Secularism, Humanism etc. and makes all out efforts to inculcate them amongst its students, staff, and others to make this institution as not only centre of legal knowledge but also an inclusive centre of humanity.

I wish all prospective students a successful and inspiring academic adventure. May your endeavors be fruitful and enriching.

Prof.(Dr.) Dilip Ukey
Vice-Chancellor

From the Hon'ble Registrar's Desk

Maharashtra National Law University Mumbai has made significant academic strides in recent years and has emerged as one of the most preferred law schools by the prospective students. Every year, we welcome students from diverse and rich backgrounds who contribute meaningfully to the growth and vibrancy of our institution.

The University through the collective efforts of its administration, faculty, and staff is committed to providing quality legal education while fostering a strong sense of community and purpose. We strive to instil in our students the core values of diversity, equity, ethics, and inclusiveness within the legal profession.

MNLU Mumbai adheres strictly to the norms prescribed by the University Grants Commission (UGC) and the Bar Council of India (BCI). Faculty recruitment is conducted periodically to bring in the best academic minds, enriching our students' learning experience. Our dynamic curriculum is further enhanced by regular guest lectures from eminent experts, seminars, conferences, and certificate courses.

The University also benefits from the continued tutelage of the higher judiciary, with esteemed judges interacting with students from time to time and offering invaluable guidance. Our dedicated research centres undertake impactful research and provide students with meaningful opportunities of engagement. Apart from this, there are a variety of student-run bodies and clubs which provide an attractive opportunity to build qualities of leadership and collaboration.

We maintain a strict zero-tolerance policy against ragging and sexual harassment, ensuring a safe and inclusive environment for all. Our Internship and Placement Cell actively facilitates career guidance by inviting experts from industry and help the students in finding internship opportunities, so that they can navigate their professional journey with confidence.

I extend my best wishes to all prospective students in their academic endeavours.
